Church,

As you know, I am constantly saying that "prayer is the work of the church." Never moreso than right now! We need to be engaged in prayer daily! There are so many needs right now in the world around us that we should all be desperately seeking God at every opportunity.

In order to help with that, I humbly submit a proposed prayer guidance for your week. This is by no means exhaustive. There are many needs that should be prayed for. There are many needs individually and within our church. However, this is a good starting point to help us focus our thoughts and guide our prayers as we seek God.

I hope this helps. Feel free to republish or share with anyone.

Stay safe! God loves you and so do I! – Jeff Dunn

### PRAYER PLAN MAY 18-23

**Pray for our world:** Pray that people would adhere to health safety guidelines even as more businesses open up to re-start their economy.

**Pray for the nation:** Ask God to equip, inspire, and guide our leaders as they walk a fine balance between opening up our businesses yet exercise great care and wisdom in continuing to address the reality of COVID 19.

**Pray for our community:** Invite the Holy Spirit to encourage the gains made in relationships and outreach during shelter in place to continue and grow.

**Pray for HCOC:** That God would guide the leadership of Huntsville Church of Christ in wisdom and courage as they make difficult decisions. That God would guide people to rejoice in Huntsville Church of Christ remaining their church home, and to trust that His church will prevail as it has throughout history.

**Pray for yourself and family:** Ask God for increased patience, forgiveness, mercy, insight and grace as you weather the difficulty of relationship issues at home.

**Bonus:** Read Isaiah 41: 10. So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.
