**From Jeff Dunn...** I wanted to take a moment and address the concerns many are facing due to the current crisis within our country. While we do not wish to add to the chaos of the moment, we do wish to provide for the safety and security of all members of our congregation.

As of right now, we plan on having Sunday morning classes and worship as normal. We have increased focus on cleaning and sanitation in all of our spaces. We are continuing our monitoring of the situation, but we do not wish to make decisions out of fear.

However, we would like to encourage many of our senior saints as well as anyone who is medically compromised to stay at home.

In order to help you with that, we will be broadcasting our entire worship service on Facebook this Sunday morning. Simply log onto the HCOC Facebook page <https://www.facebook.com/huntsvillecoc/> and we will be "live" at 10am. Also, you may participate in worship by giving online at our website <http://hcoc.church/giving/>

We want to do everything in our power to keep our members safe and to take this situation seriously. However, we also want to model for the world around us a faith that is not shaken by any current panic. Ultimately our God is in control. Let's trust Him and pray for His peace as we seek Him together.

*"do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus."*

*Philippians 4:6-7 ESV*

God loves you and so do I,  
Jeff
